

99 Loop Gallery - Artist Submission Procedure

99 Loop has an open submission system for artists. If you'd like to be considered for an exhibition or collaboration opportunity, please email gallery@99loop.co.za a PDF portfolio document with the following:

- Artist biography (tell us about yourself)
- Artist statement (tell us about your practice)
- High-quality artwork images with corresponding information

If your submission aligns with what we are looking for in our exhibition program or artist line-up, we will be in touch to discuss further steps.

* Only formal submissions with the above-mentioned criteria will be considered.

* Please note that our exhibition roster is pre-planned, so available opportunities are limited.

* If you do not hear back from us, please consider your application unsuccessful.
